

CERTIFICATION NOTICE

Certification Number CA-111812-06

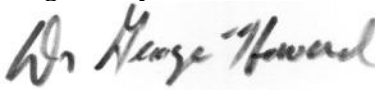

This Certification is awarded to Green Wyre Products, of Georgetown, Texas for their line of personal products. (<http://www.greenwyre.com>)

This Certification Notice is provided as a notification that the product(s) listed have been tested by American Product Certifiers (AmProCert) for the specific claims indicated by the person, company, or individuals(s) named, for the express purpose of determining the viability of such claims and that the product(s) listed have successfully passed those tests and are certified to be SAFE TO USE and deemed to be described accurately by the claims.

This Certification Notice further states that the test results shown were obtained solely by AmProCert and that AmProCert was not influenced in any way by any external forces or personnel in determining these results.

<i>CLAIM</i>	<i>TEST PERFORMED</i>	<i>RESULTS</i>
A – Unique, biodegradable product made from natural materials (plant extracts). No animal byproducts used.	FTIR analyses were used to determine actual materials and origins. Also, used accelerated thermal cycling.	Passed as stated. All extracts were identified as natural and were deemed biodegradable and created from plants.
B – Safe for all skin conditions. Contain no toxins or hazardous materials.	All ingredients were determined to be non-hazardous under OSHA Standards 29 CFR-1910 1200 and all of them are on the Food and Drug Administration's (FDA) GRAS (generally recognized as safe) List.	Passed as stated. This is the only personal product line that we've ever tested that does not require any hazardous ingredient labeling.

Green Wyre[®] products are hereby Certified to be SAFE TO USE and perform as advertised. For further information please contact the manufacturer, Green Wyre Products at www.greenwyre.com or view the product web site at: www.greenwyre.com
